What is a Men’s Shed?

Men’s Shed (or sheds) are similar to garden sheds – a place to pursue practical interests at leisure, to practice skills and enjoy making and mending. The difference is that garden sheds and their activities are often solitary in nature while Men’s Sheds are the opposite. They’re about social connections and friendship building, sharing skills and knowledge, and of course a lot of laughter.

In South Lanarkshire there are currently several Men’s Sheds up and running in many communities as well as a mobile Men’s Shed.

If you are interested in joining or simply finding out more please contact Paul Creechan at Seniors Together on 01698 454105 or email seniorstogether@southlanarkshire.gov.uk
