Notes

1. Specify the public service authority to whom the request is being made. Please also include any additional public service authorities the community participation body believes should also participate in an outcome improvement process. The authorities to whom a request can be made are listed in Schedule 2 in the Community Empowerment (Scotland) Act 2015 these are:
 - A local authority
 - A health Board
 - The Board of management of a college of further education
 - Highlands and Islands Enterprise
 - A National Park Authority
 - Police Scotland
 - The Scottish Environmental Protection Agency
 - Scottish Enterprise
 - The Scottish Fire and Rescue Service
 - Scottish Natural Heritage
 - A regional Transport Partnership
2. Insert the name(s) of any other public service authority which the community participation body requests should participate in the outcome improvement process.
3. Specify an outcome that results from, or is contributed to by virtue of, the provision of a service provided to the public by or on behalf of the authority. An explanation of outcomes and examples can be found in section 3.48 of the Scottish Government guidance document.
4. Set out the reasons why the community body believes it should participate in the outcome improvement process.
5. Provide details of any knowledge, expertise and experience the community body has in relation to the outcome specified in question 4.
6. Provide an explanation of the improvement in the outcome specified in question 4 which the community body anticipates may arise as a result of its participation in an outcome improvement process.
7. To make a participation request the Community Empowerment (Scotland) Act 2015 provides that certain bodies can do so. The community participation body should provide the necessary information to the public service authority to show that they are a valid body who can make a participation request.
8. Any other information in support of the participation request can be included in this section or attached separately should the community body wish to do so. It may be helpful for the community participation body to outline if they have previously been in contact with the public service authority regarding the outcome. The community participation body may also want to provide information on any additional support they may require to be able to participate in an outcome improvement process.
9. If you require extra space for your responses to any of the questions asked, please put them on additional pages, number them and send them along with your completed form.
