Form A2: application for cremation of a stillborn baby

| Cremation number: | Crematorium/cremation authority: |
|-------------------------|----------------------------------|
| Time of cremation: | |
| Date of cremation: | |
| Baby's name (if given): | |

This form must be used to apply for the cremation of a stillborn baby. This is a requirement of the Cremation (Scotland) Regulations 2019, made under section 48 of the Burial and Cremation (Scotland) Act 2016. A stillborn baby is a baby delivered after 24 weeks gestation without showing any signs of life.

The application is made to the cremation authority you want to carry out the cremation. The cremation authority is the organisation responsible for running the crematorium where the cremation is to take place. The cremation authority will need to check the form to make sure it contains all of the necessary information. Missing information or information that is not accurate may result in the cremation being delayed or refused.

As the person who is applying for the cremation, you are 'the applicant'. You must have the legal right to apply for the cremation (see guidance notes at the end of this form).

If you are unsure about any of the information that is required, or are not sure what any part of the form means, you should speak to the funeral director who is making the arrangements, staff at the crematorium, or to any other person who is arranging the funeral.

You do not have to use the services of a funeral director to arrange a cremation but where one is being used the funeral director should sign the relevant part of section 4 of this form. If this form has not been completed correctly or is incomplete, the cremation authority will contact the applicant to complete the form before the cremation can take place. Guidance notes are provided at the end of this form.

Change of crematorium

If it is necessary to change the crematorium for any reason a new Form A2 should be completed.

Personal details of individuals contained in this form are not to be used for any other purpose.

The information provided on this form is a legal requirement under the Burial and Cremation (Scotland) Act 2016 and will be processed in line with Data Protection legislation. The data will be held by the cremation authority that is carrying out the cremation. It will be held securely, in confidence and processed solely for the purpose of carrying out the cremation and the handling of ashes. It will not be shared with any third party. You have the right to know what data is held about you and you can, by contacting the cremation authority in writing, receive a copy of that data. The cremation authority is obliged to include in their privacy notice how the information will be held, for how long and how you may make a complaint to the Information Commissioner's Office.
