South Lanarkshire Good Food Strategy

Online survey on the proposed vision and objectives of the strategy (May - June 2019): Summary of responses

409 responses

About the respondents

Are you replying as an individual or organisation?

393 (97%) Individual
14 (3%) Organisation

What age group are you in?

2 (0%) Under 16 years
9 (2%) 16 - 24 years
38 (9%) 25 - 34 years
99 (24%) 35 - 44 years
133 (33%) 45 - 54 years
99 (24%) 55 - 64 years
25 (6%) 65 years or older
3 (1%) Prefer not to answer

In which area of South Lanarkshire are you based?

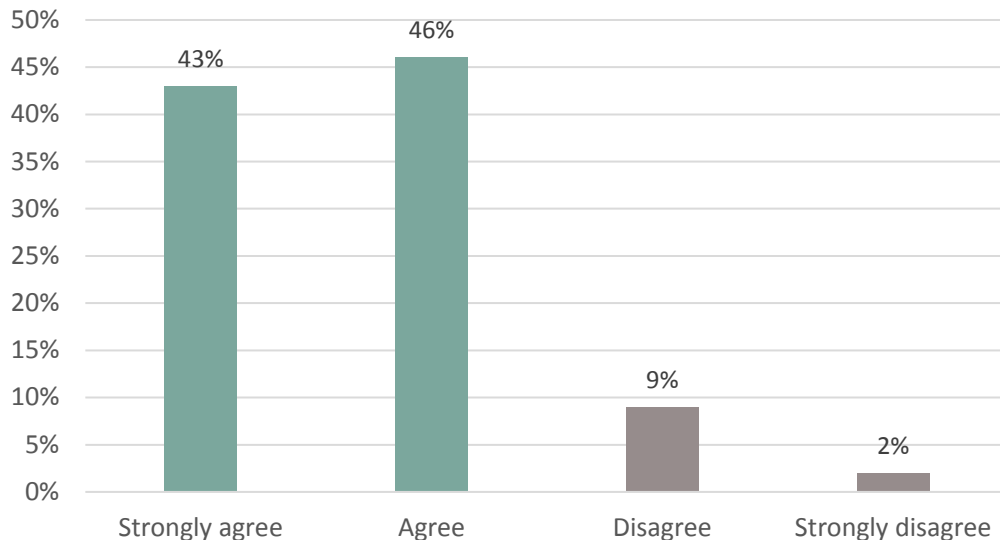

92 (23%) Clydesdale
90 (22%) East Kilbride or Strathaven
147 (36%) Hamilton, Blantyre, Bothwell, Uddingston, Larkhall or Stonehouse
47 (12%) Rutherglen or Cambuslang
31 (8%) I do not live in South Lanarkshire

Vision: Good Food Council

The overall vision is that “South Lanarkshire is a council where Good Food is produced, processed, transported, marketed, served, sold, bought, cooked and eaten in ways that:

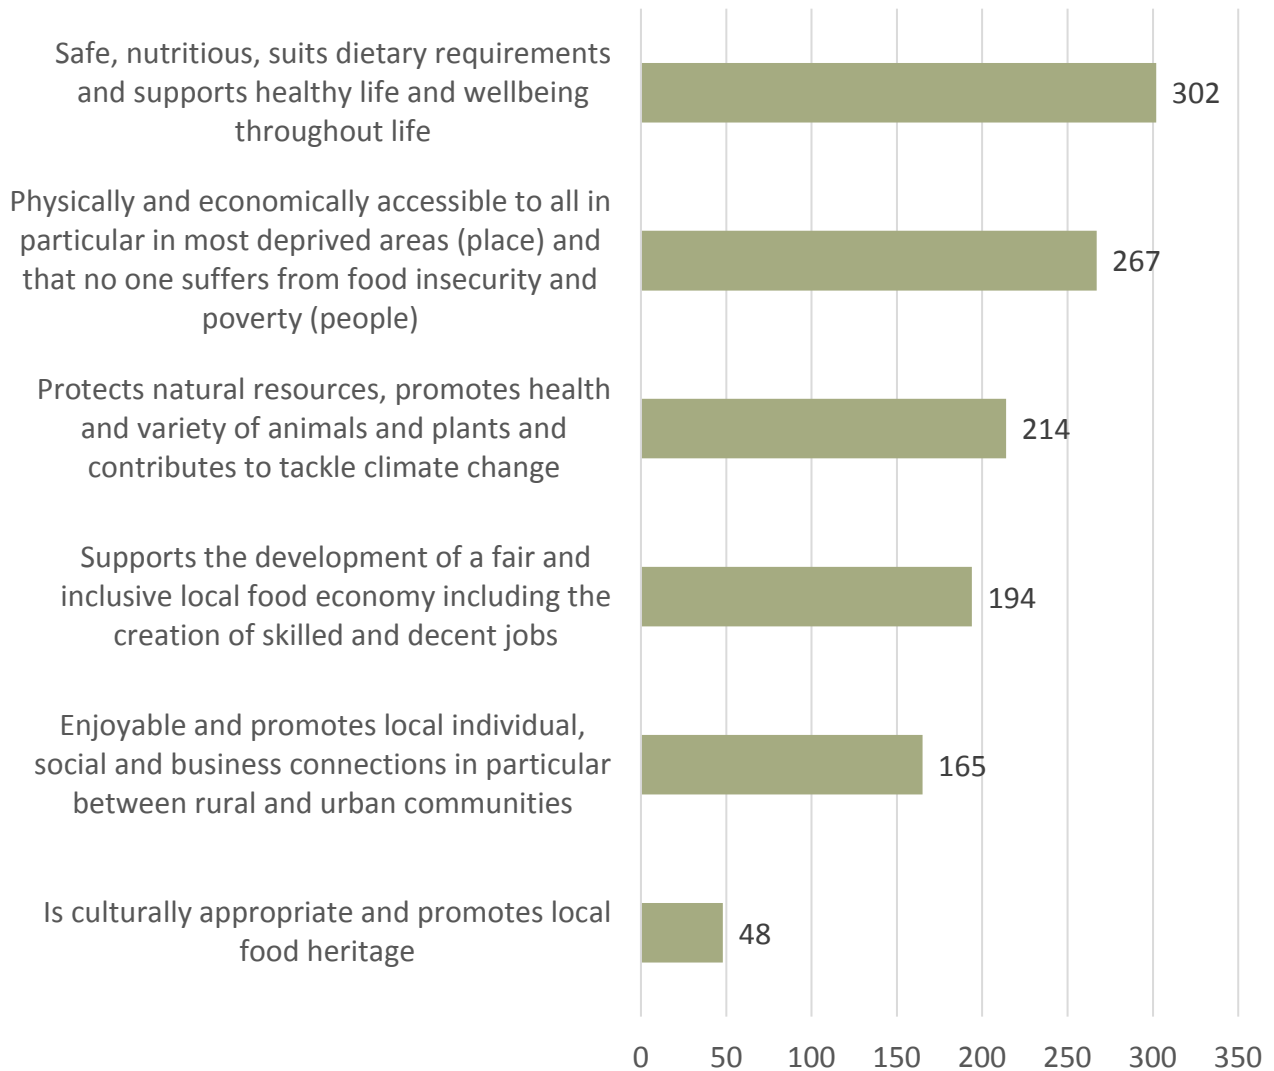

- Is enjoyable and promotes local individual, social and business connections in particular between rural and urban communities;
- Is safe, nutritious, suits dietary requirements and supports healthy life and wellbeing throughout life;
- Is physically and economically accessible to all in particular in most deprived areas (place) and that no one suffers from food insecurity and poverty (people);
- Is culturally appropriate and promotes local food heritage;
- Supports the development of a fair and inclusive local food economy including the creation of skilled and decent jobs;
- Protects natural resources, promotes health and variety of animals and plants and contributes to tackle climate change.”

To what extent do you agree with this vision (%)?

Total: 89% agree, 11% Disagree

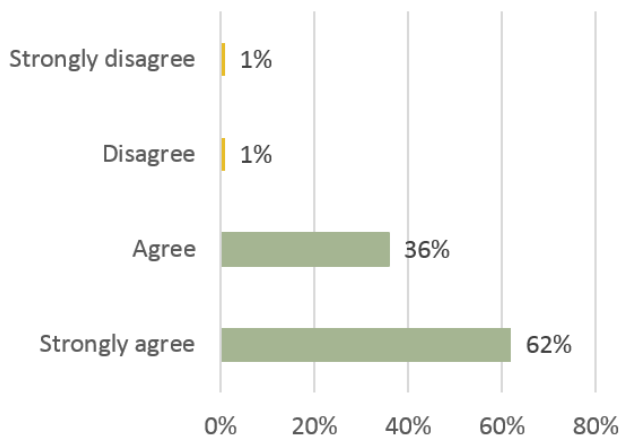

Please select up to three Good Food criteria that you believe are the most relevant for you or your local area and you would wish that the council and partners to develop and focus/prioritise resource on (number of responses):

Good Food Strategy: proposed objectives

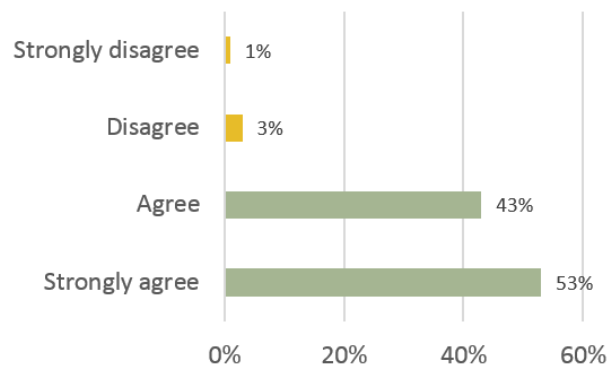

Good Food Community

1. Support local communities, from all ages, in strengthening Good Food culture in particular in relation to healthy food, and in developing interest and skills for food including food growing and cooking

Total: 98% agree, 2% Disagree

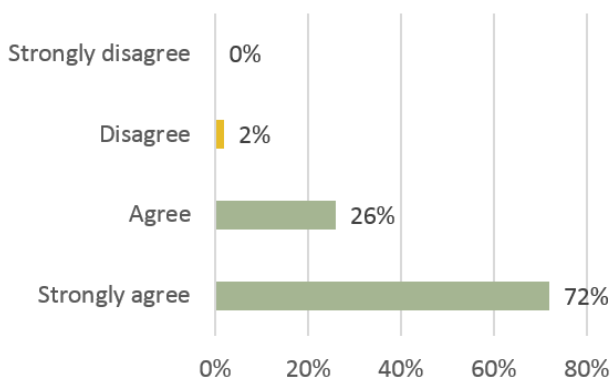

2. Foster the inclusion of the community /place and food stakeholders, in particular from deprived areas, in the development of a Good Food Council and encourage social connections and partnerships including between rural and urban communities

Total: 96% agree, 4% Disagree

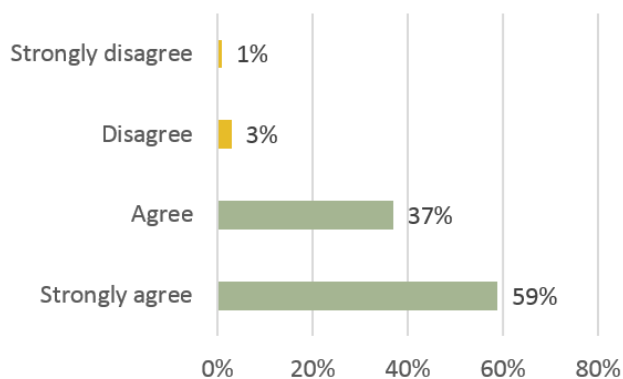

Good Food Everywhere

3. Ensure that the council and partners prepares, serves and promotes Good Food in particular for children and vulnerable people

Total: 98% agree, 2% Disagree

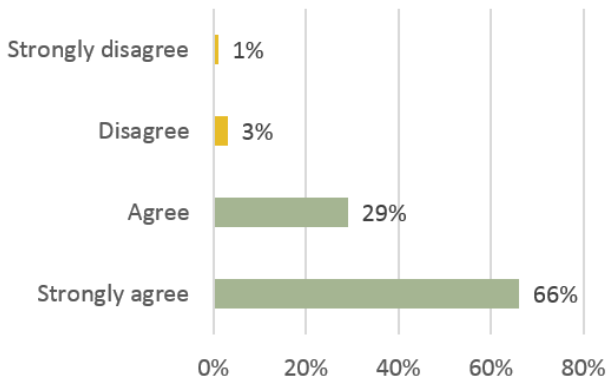

4. Encourage businesses from work places to manufacturers, café, restaurants and retailers in preparing, serving, selling and advertising Good Food

Total: 96% agree, 4% Disagree

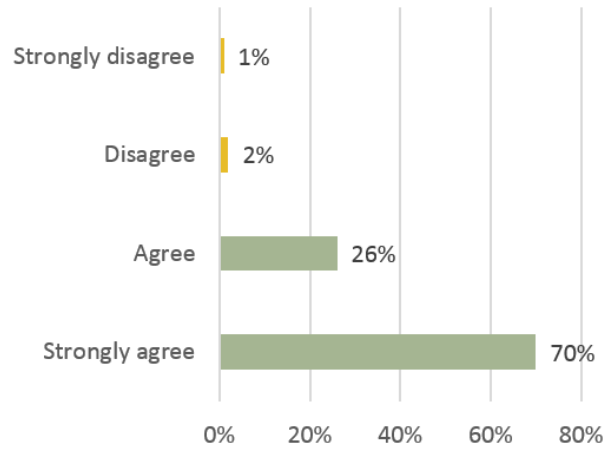

Good Food for all

5. Through a systemic and coordinated approach, eliminate food insecurity and poverty by building resilience and preventing crisis so that everyone, and in particular vulnerable people and communities from deprived areas, has access to Good Food at all time

Total: 95% agree, 5% Disagree

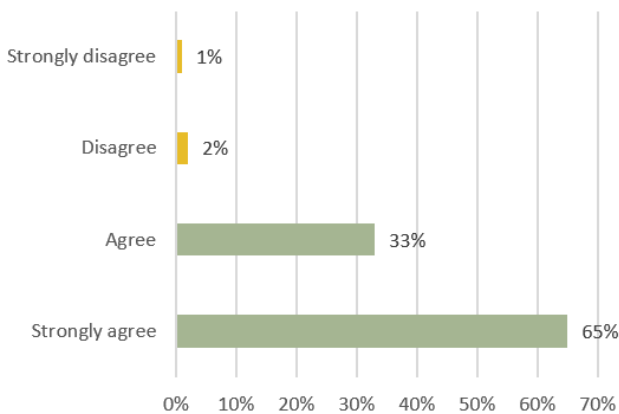

6. If emergency support is needed, ensure that dignified and respectful responses are delivered to individual and families suffering from food insecurity or poverty

Total: 96% agree, 4% Disagree

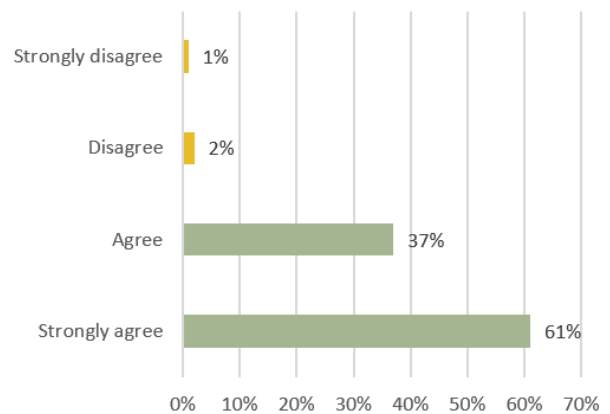

Good Food Economy

7. Support the development of a thriving local food economy that is fair and inclusive, and contributes to the creation of decent and skilled jobs in the food sector

Total: 98% agree, 2% Disagree

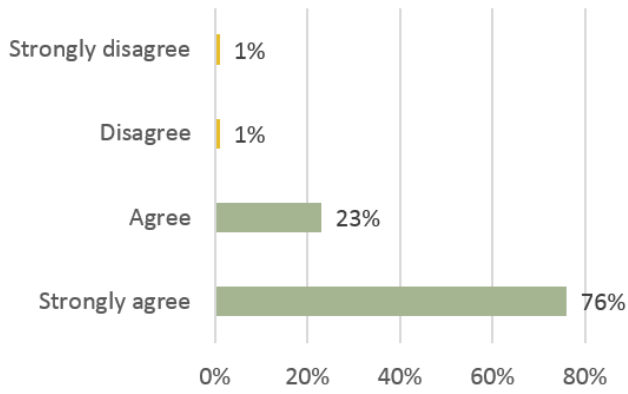

8. Support the promotion and use of local food including better connections between food producers and businesses and the community, visitors and the public sector

Total: 98% agree, 2% Disagree

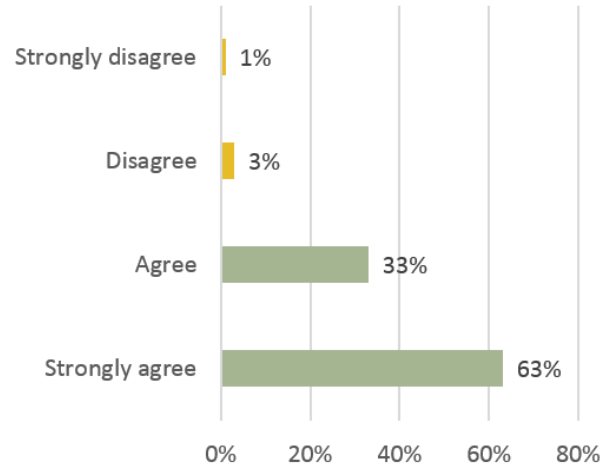

Good Food Environment

9. Encourage the community, private and public sectors to minimise food waste, redistribute food that would otherwise be wasted and support composting of non-avoidable food waste

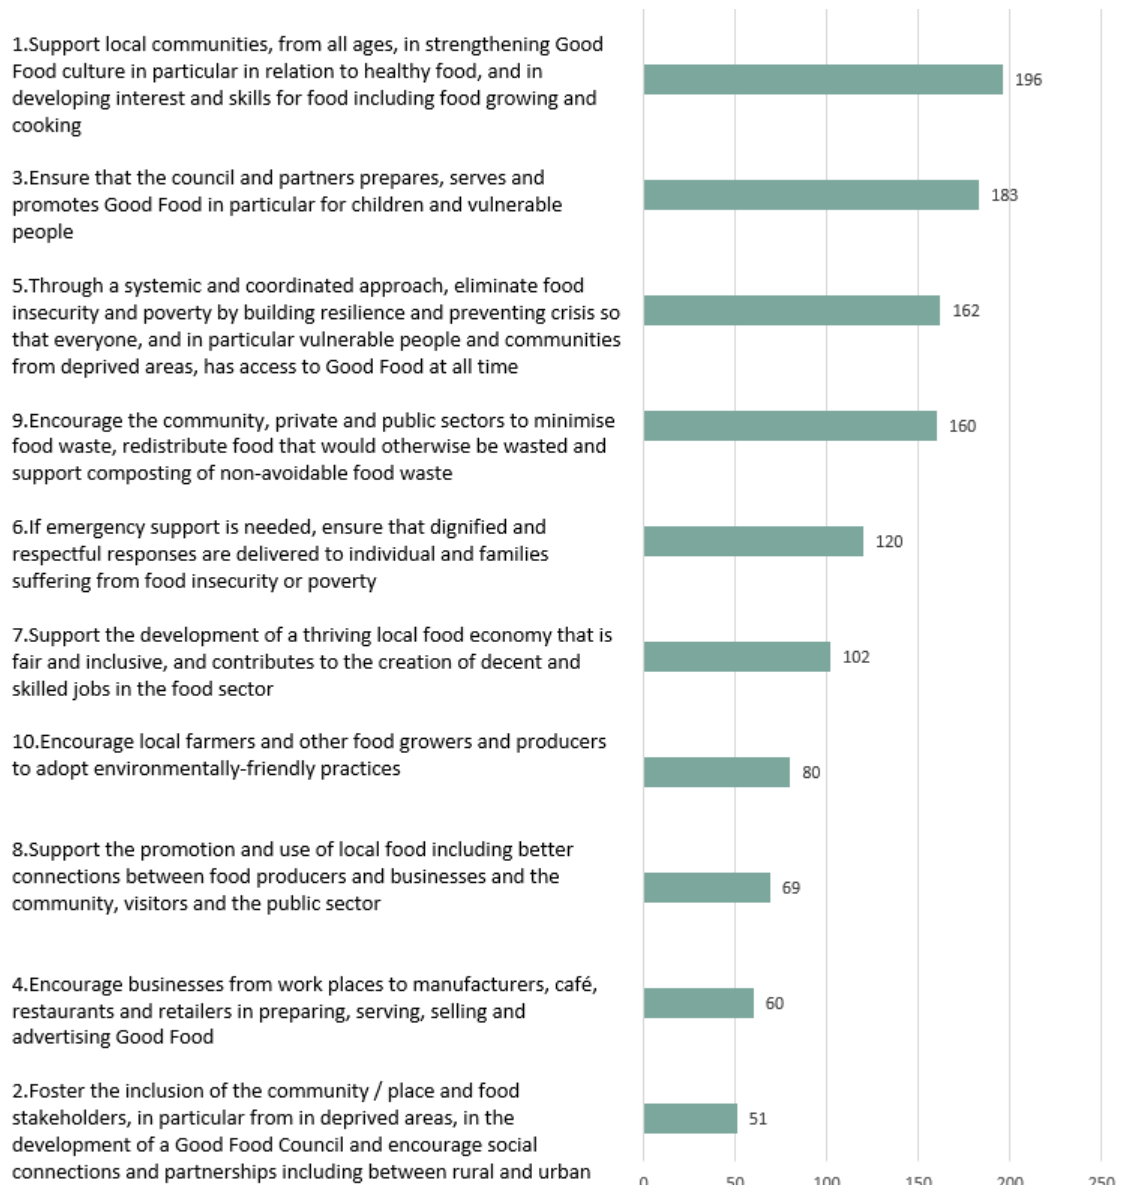

Total: 99% agree, 1% Disagree

10. Encourage local farmers and other food growers and producers to adopt environmentally-friendly practices

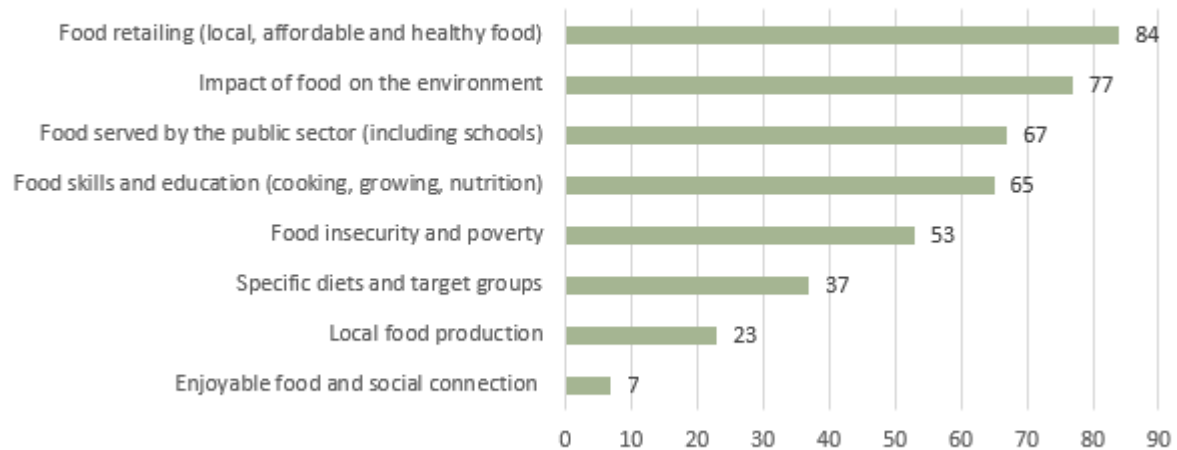

Total: 96% agree, 4% Disagree

Please select up to three of the objectives that you believe are the most relevant for you or your local area and you would wish that the council and partners to develop and focus/prioritise resource on (number of responses):

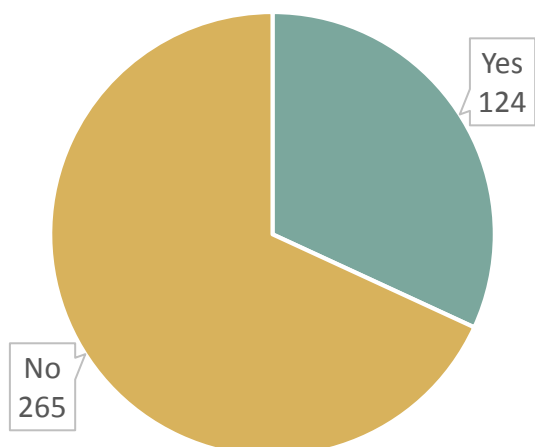

Good Food Strategy: comments and suggestions

Number of comments and suggestions from the online survey, meetings and focus groups per category

South Lanarkshire Food network

If a South Lanarkshire Food Network is established, would you like to be involved (number of responses)?

If a South Lanarkshire Food Network is established, would you like to be kept up to date with the progress of the network (number of responses)?
