### South Lanarkshire Local Development Plan Vision

Is this the right vision for the plan? If not, why not? Are there any alternatives that you would like to see?

### Preferred option 1 - Spatial Strategy

Do you think that this spatial strategy option is the correct basis upon which the policies and proposals in the SLLDP should be prepared? Is the balance between sustainable economic development and environmental issues correct? Are there any other factors that should be taken into account?

**Alternative option - Spatial Strategy.**

Do you think any of these alternative options are more appropriate than the preferred option? If so, which one and why? Are there any other alternatives we should be considering?

**Preferred option 2 - Employment Land/Locations**

Do you agree with this preferred option? If not, why?

**Alternative options - Employment Land/Locations**

Do you prefer the alternative option? If so why? Are there any other options you would like considered?

**Preferred option 3 - Industrial Land Supply**

Do you agree with the preferred option? If not why?

**Alternative Option - Industrial Land Supply**

Do you prefer the alternative option? If so why? Are there any other options you would like considered?

**Preferred option 4 - Pressure for Change Sites**

Do you think any of the sites listed in Technical Report 2 - Site Assessments should be redesignated? If so which ones and why? Are there any other sites we should be considering?

**Alternative option - Pressure for Change Sites**

Do you prefer the alternative option? If so why? Are there any other options you would like considered?

**Preferred option 5 - Retailing & Commercial**

Do you agree with the preferred option? If not, why?

**Alternative option - Retailing & Commercial**

Do you agree with the alternative option? If so, why? Are there any other options you think we should consider?

**Preferred option 6 - Town Centre Boundaries and Uses**

Do you agree with the preferred option? If not, why?

**Alternative option - Town Centre Boundaries and Uses**

Do you agree with the alternative option? If so, why? Is there any other option we should consider?

**Preferred option 7 - Housing Land Supply**

Do you agree with the preferred option? If not, why? Do you think any of the sites included in Technical Report 2 - Site Assessment should be released for housing development and if so which ones and why?

Are there any other sites we should be considering? Do you think any of the sites listed in Technical Report 1 - Potential Changes to Designations and Settlement Boundaries should remain in the housing land audit and if so which ones and why? Are there any other sites that should be considered?

**Alternative option - Housing Land Supply**

Do you think any of the alternative options have more merit than the preferred option? What would you prefer and why?

**Preferred option 8 - Affordable Housing**

Do you agree with the preferred option? What would you change and why?

**Alternative option - Affordable Housing**

Do you think any of the alternative options should be considered instead of the preferred option? If so which one and why?

**Preferred option 9 - Green Belt**

Do you agree with the preferred option? If not, why?

**Alternative options - Green Belt**

Do you agree with the alternative option? If so, why? Are there any other options that we should be considering?

**Preferred option 10 - Rural Area**

Do you agree with the preferred option for the rural area? If not, why?

**Alternative option - Rural Area**

Do you agree with the alternative option proposed? If so, why? Are there any other options that should be considered?

**Preferred option 11 - Settlement Boundaries**

Do you agree with the changes to settlement boundaries as proposed? If not, why? Are there other settlement boundary changes we should be considering? Do you agree with the three new settlements proposed? If not, why? Are there any other areas we should consider designating as settlements?

**Alternative option - Settlement Boundaries**

Do you agree with any of the alternative option proposed? If so, why? Are there any other options that should be considered?

**Preferred option 12 - Climate Change**

Do you agree with our preferred option? If not, why?

**Alternative options - Climate Change**

Do you agree with the alternative option? If so, why? Are there any other alternatives that we should have considered?

**Preferred option 13 - Developer Contributions**

Do you agree with the preferred option? If not, why?

**Alternative option - Developer Contributions**

Do you agree with the alternative option? If so, why? Are there any other alternatives that we should have considered?

**Preferred option 14 - Renewable Energy**

Do you agree with our preferred option? If not, why?

**Alternative options - Renewable Energy**

Do you agree with any of the alternative options? If so, which alternative option do you prefer and why? Are there any other alternatives that we should have considered?

**Preferred option 15 - Flooding**

Do you agree with our preferred option? If not, why?

**Alternative option - Flooding.**

Do you prefer the alternative option? If so, why? Are there any other alternatives we should be considering?

**Preferred option 16 - Waste**

**Alternative option - Waste**

Do you think this option is better than the preferred option, if so, why?

**Preferred option 17 - Traffic Growth and Congestion**

Do you agree with this preferred option? If not, why?

**Alternative options - Traffic Growth and Congestion**

Do you prefer any of the stated alternatives? Are there other alternatives that should be considered?

**Preferred option 18 - Supplementary Guidance**

Do you agree with the preferred option? If not, why? Do you think there are any other topics that should be considered as supplementary guidance? If so, what are they?

**Alternative option - Supplementary Guidance**

Do you prefer the stated alternative? Are there any other alternatives that should be considered?

**Do you have any comments relating to the MIR Maps?**

**Do you have any comments relating to the MIR SEA?**

**Do you have any comments relating to the MIR Habitats Regulations Assessment?**
