

Analysis of voting totals in the Scottish Independence Referendum for the South Lanarkshire Council area

Count Area	Total Votes Counted	Votes for 'Yes'	Votes for 'No'	Rejected Papers	Yes %	No %
Clydesdale Polling Station Ballots including South Lanarkshire Postal Votes	42,145	16,733	25,391	21	40%	60%
East Kilbride Polling Station Ballots including South Lanarkshire Postal Votes	67,716	31,309	36,365	42	46%	54%
Rutherglen Polling Station Ballots including South Lanarkshire Postal Votes	41,781	20,844	20,915	22	50%	50%
Hamilton Polling Station Ballots including South Lanarkshire Postal Votes	71,285	32,104	39,129	52	45%	55%
Total Counted Papers	222,927	100,990	121,800	137	47%	53%

Note: It is important to note that whilst ballot boxes from polling stations were allocated and counted by area this was not the case for postal ballot papers which were simply distributed across the four counting areas and each box would have contained votes from any area. Postal Ballot Papers accounted for 16.78% of all votes cast (ie 37,418 votes). Accordingly, the above figures can only provide a broad indication of voting outcomes in each of the areas.
