Preliminary Report

For the introduction of limited waiting restrictions

Location: Muir Street, Hamilton

Proposal: For the introduction of limited waiting restrictions

1. Muir Street, Hamilton is a local distributor road located to the west of Hamilton Town Centre and is situated between Bothwell Road and Palace Grounds Road.
2. The existing regulations on Muir Street are no waiting or loading at any time and no waiting at any time.
3. Indiscriminate and long stay parking on Muir Street, within a disused bus stop, is impacting on the free flow of traffic, with cars parking outwith the bus layby. The long stay parking within the disused bus layby is preventing a natural turn over of visitors to the adjacent businesses.
4. It is therefore proposed to create lined parking bays with limited waiting to encourage vehicles to park within the layby area, ensuring the free flow of traffic on Muir Street.

The proposed limited waiting restriction of 2 hours, no return within 4 hours within the laybys, will provide short stay parking for customers of the adjacent businesses.

5. The Chief Constable, Strathclyde Partnership for Transport and the Local Members have been consulted and have no objections to the proposals.
6. I recommend, therefore that South Lanarkshire Council advertises its intention to make a Traffic Regulation Order introducing limited waiting restrictions on Muir Street, Hamilton.
