Preliminary Report

For the Installation of Regulated Disabled Persons' Parking Bays

1. The locations of the disabled persons' parking bays, which are the subject of this proposal, are detailed in paragraph 7 below.

2. Currently there are no restrictions at these locations.

3. An assessment of a disabled person, living in the vicinity of each of the addresses detailed in paragraph 7, has shown that they are severely disadvantaged by not being able to park in the vicinity of their home.

4. It is proposed to restrict a short length of road, adjacent to the locations detailed below, to be used by a vehicle displaying a valid disabled person's badge only.

5. The Chief Constable, Strathclyde Partnership for Transport and the Local Members have been consulted and have no objections to the proposals.

6. It is therefore recommended, that South Lanarkshire Council advertises its intention to make a Traffic Regulation Order prohibiting waiting, except for disabled persons' badge holders, on a section of road adjacent to the properties detailed in paragraph 7 below.

7. Locations of proposed regulated disabled persons' parking bays.
