Proposal: Amendment to a Speed Limit

1. Broughton Road (B7016), Biggar is a local distributor road which links the Village of Biggar with Broughton. The part of the (B7016) Broughton Road which is the subject of this proposal is located to the south-east off High Street and gives access to residential properties.

   Dene Park, Biggar is located to the south-east of High Street, and is situated off Broughton Road and gives access to residential properties.

   Manse Drive, Biggar is located to the south-east of High Street, and is situated off Broughton Road and gives access to residential properties.

   Stephen Avenue, Biggar is located to the south-east of High Street, and is situated off Broughton Road and gives access to residential properties.

2. There is currently a temporary 20mph speed restriction on Dene Park, Manse Drive, Stephen Avenue and part of Broughton Road

3. In 2025 a Temporary 20mph speed limit was introduced on Dene Park, Manse Drive, Stephen Avenue and part of Broughton Road to coincide with the amendment to the 20mph speed limit extents on the A702 Main Street, Biggar by Transport Scotland. This restriction allowed a consistent speed limit to be maintained on all minor roads within the extents of the extended 20mph speed limit zone on the A702.

4. The current Temporary Traffic Regulation order is due to expire and it is proposed to promote a TRO to make the existing temporary 20mph speed limit permanent on the sections of road mentioned above.

5. The Chief Constable, Strathclyde Partnership for Transport and the Local Members have been consulted and have no objections to the proposals.

6. I recommend, therefore that South Lanarkshire Council advertises its intention to make a Traffic Regulation Order making the 20mph speed limit permanent on Dene Park, Manse Drive, Stephen Avenue and part of Broughton Road, all Biggar.
